Responsible Minerals Procurement Policy

Axiro Semiconductor Private Limited and its subsidiaries ("Axiro") is committed to responsible mineral procurement using the "Due Diligence Guidance for Responsible Supply Chains of Minerals from Conflict-Affected and High-Risk Areas" implemented by the Organization for Economic Co-operation and Development (OECD) as a reference.

Axiro is also committed to the goal that products supplied by our suppliers must not contain Conflict Minerals illegally produced from conflict-affected and high-risk areas, to avoid assistance in the violations of human rights and environmental destruction of such areas.
